

Depeche Road - Press Release

Depeche Mode is the band that calls generations of fans their own. The message of Depeche Road: "Take second best" after the song "Personal Jesus".

Depeche Road is doing this challenge justice with its ambitious sound (from almost identical to unplugged), melancholic singing and its visual appearance.

What is crucial though is that the musicians get inspired by the Depeche Mode-own sounds and develop lively emotions while interpreting the songs.

If you have ever got to see the band while touring middle and east Europe, you know what we are talking about here.

Depeche Road offers a glamorous show featuring the last 20 years' top hits!
